**MEXICO** — When it opened at the very end of last year, this five-star spa retreat located 25 minutes from the historic city of Mérida “changed the wellness game for Mexico.” Now, the unique spa—an expansive 32,000-square-foot-facility set in a private natural “cenote” (considered sacred by the ancient Mayans)—is ready to roll out to equally rave reviews.

### 2 WHO TO ASK FOR

The executive chef: He selects ingredients daily from the spa’s on-site gardens for the organic meals.

### 1 WHEN TO GO

Soon. The resort is still rather under-the-radar because it recently opened; it will most likely start selling out fast.

3

**WHAT TO GET**

One of the Mayan-inspired treatments. The entire resort is big on its heritage and it shows in its indigenous offerings.

4

**HOW TO MAKE THE MOST OF IT**

Relax in your room. There are 40 spacious stand-alone pool villas and all of them are the epitome of luxury.

**MAKE SURE TO PACK**

**HERBAL ELIXIR**

Epicuren Herbal Cleanser is one of the brand's hero products, and for good reason. It works on every skin type, never disrupts plane-provoked skin and has the most delicate scent. **\$36, [epicuren.com](http://epicuren.com)**

**SPOT STOPPER**

Multitasking takes on new meaning with ilike Organic's Brightening Moisturizer. It's carry-on friendly and really delivers results for the face, hands and body. **\$98, [buyilike.com](http://buyilike.com)**

**SUPER SHIELD**

This is the land where the sun doesn't take a back seat. Even if you're not so great at applying SPF, **Amarte Ultra Veil's** completely invisible formula makes it easy. **\$56, [amarteskincare.com](http://amarteskincare.com)**
