CHABLÉ RESORT AND SPA – MEXICO

Deep in the Yucatan Peninsula and surrounded by lush jungle, Chablé Resort is an authentic and eclectic wedding escape. Set in a restored 19th-century estate, Chablé retains many of the property's original structures (including the chapel) and has added 40 contemporary casitas and a spa that incorporates a Mayan *cenote*. The lush grounds with the medieval stone walls and colorful stucco buildings are a beautiful backdrop for a ceremony. Inside, the main hacienda is whimsically decorated with handmade Mexican furniture and vintage touches.
