Butterfly migration, and tours to Mayan ruins without the crowds.

Insider's tip: For a natural high, the Yucatan Peninsula is one of Black Tomato's top destination picks for 2018 due to a combination of natural wonders, new hotels and endemic wildlife. Just a short flight from Mexico City and a 25-minute drive from the storied city of Merida, sits the brand new [Chable Resort](#), a temple of wellness and barefoot luxury. Visits to the [MUSA Underwater Contemporary Art Gallery](#) are also a must-see.

Best time to travel: May – July
